Skills

- Strong foundation in HTML, CSS, JavaScript, Python
- Familiarity with web development frameworks and libraries such as React, Redux, jQuery, Bootstrap, SASS
- Experience with Flask, SQL, Git, APIs, Unit Testing, Debugging, writing documentation
- Understand key concepts such as OOP, Functional Programming, Data Structures and Algorithms, UX design, mobile responsiveness
- Excellent problem-solving and analytical skills
- I've learned these skills through my Code Institute projects, freeCodeCamp, Harvard's CS50 course and personal side projects, all my projects can be found on my portfolio website and GitHub account

Work Experience

Sales Assistant

Circle K Clones - 08/2022 - Present

- Provided excellent customer service, creating a welcoming environment for customers and responding promptly to their needs and inquiries.
- Proactively identified opportunities to improve the customer experience and implemented solutions that contributed to increased sales and customer satisfaction.
- Collaborated effectively with team members, working cooperatively to ensure that the store ran smoothly and efficiently.
- Consistently met and exceeded sales targets by actively promoting products and services and using my knowledge of the store's inventory to make recommendations to customers.

Construction Groundworker

F&G Mc Caffrey - 01/2020 - 01/2022

- Collaborated effectively with a skilled groundworker to prepare streets, lay kerbs, and finish concrete with exceptional levels of accuracy and attention to detail.
- Proactively identified and resolved problems, resulting in significant time savings for the skilled groundworker and contributing to the timely and efficient completion of projects.
- Demonstrated efficiency and strong teamwork skills by working collaboratively with other groundworkers to meet the high expectations of our clients.

McDonalds Crew worker

Mc Donalds Monaghan - 05/2019 - 10/2019

- Worked collaboratively with other team members in a fast-paced, high-stress environment, demonstrating excellent communication and interpersonal skills to ensure that all tasks were completed efficiently and effectively.
- Adapted quickly to changing circumstances and priorities, remaining focused and productive in the face of unexpected challenges.

Certificates

FreeCodeCamp:

Responsive Web Design Certification

Javascript Algorithms and Data Structures Certification

Front End Development Libraries Certifications

Harvard University:

CS50's Introduction to Computer Science
